

16 MILES ONE MISSION

Skaneateles Lake Association

2025

ANNUAL REPORT

A Message from Our Leadership

Dear Friends of Skaneateles Lake,

Protecting a lake as extraordinary as Skaneateles takes more than appreciation—it takes action. This year, our community stepped up in meaningful ways.

Together, we strengthened our defense against invasive species, expanded watershed efforts to reduce nutrient runoff, and deepened our investment in science to better understand emerging threats to water quality.

These efforts are already making an impact. More importantly, they are building a stronger, more resilient future for the lake.

This progress is only possible because of a community that shows up—committed to protecting what we all depend on.

Thank you for being part of this work.

Bob DeWitt, Board President

Frank Moses, Executive Director

The SLA's Impact in 2025

326 Milfoil control mats deployed
covering 6.3 acres

2912 Eastern hemlock trees protected
from invasive insects

7384 Watercrafts inspected
312 invasive species intercepted

274 Lake-Friendly Living pledges
committed to by local residents

71 Volunteers engaged in
monitoring and stewardship

PROGRAMS THAT PROTECT

Defending The Lake

- **Watercraft inspections** to prevent the spread of invasive species
- **Milfoil control** through targeted matting and long-term management
- Launch of the **Legacy boat**, made possible through the generosity of **Linda and Dan Roche**, which increases efficiency and precision in our lake operations

Protecting The Watershed

- **Streambank stabilization** to reduce erosion and runoff
- **Roadside ditch improvements** to better manage stormwater
- **Protection of hemlock forests** to support long-term ecosystem health
- Skaneateles Lake **Nine Element Clean Water Plan** finalized through SLA support

Understanding The Lake

- **Partnerships** with leading researchers and academic institutions
- **Bathymetric mapping**, supported by **Sam and Carol Nappi**, to better understand lake conditions
- Ongoing monitoring and research related to **Harmful Algal Blooms**

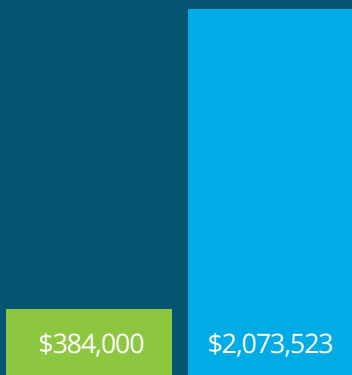

Engaging The Community

- **Lake-Friendly Living** program encouraging sustainable practices
- Youth engagement and education initiatives
- Community inspiration through efforts like **Rachael DeWitt's End-to-End Swim**, reminding us what's at stake and what's possible

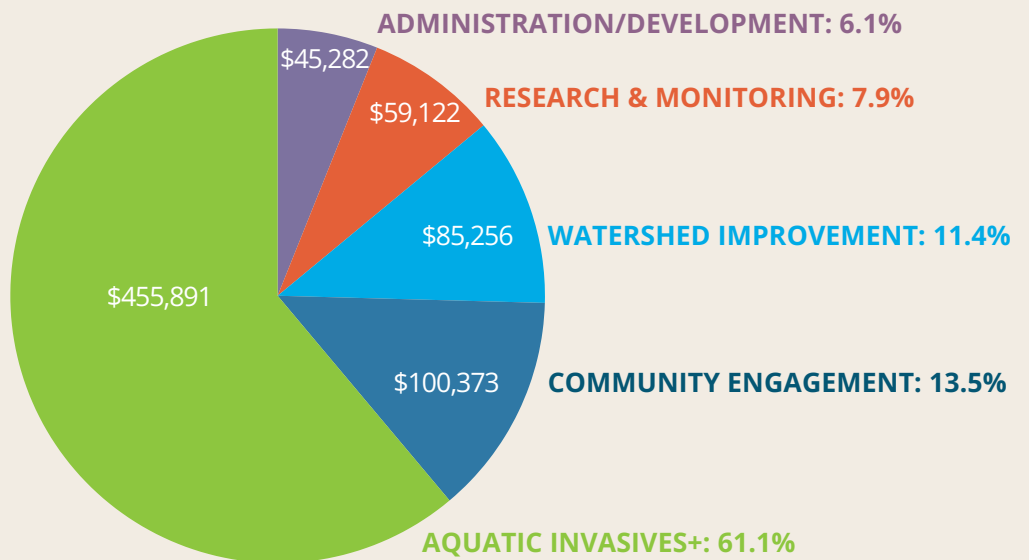

2025 Revenue:
\$2,457,523

- **MEMBERSHIP FUND**
- **LEGACY FUND***

2025 Expenses: \$745,924

+Legacy Fund revenue represents campaign funds supporting **SLA's five-year lake protection plan**.

*These results are subject to audit of SLA's 2025 financial statements by SLA's accountants.

**Aquatic invasives program expenses include the purchase of the *Legacy* boat, funded largely by a \$225,000 donation.

Acknowledging Stewards of Skaneateles Lake 2018–2025

Since 2007, support from the Skaneateles Lake community and beyond funded most of the SLA’s lake protection work. Following the 2017 lake-wide harmful algal bloom, the SLA established the Legacy Fund to strengthen these efforts and protect the lake for future generations.

To add your name or increase your support, please visit SkaneatelesLake.org.

Total Membership and Legacy Fund Donations and Pledges 2018–2025

* Indicates a donation or pledge to finance the Five-Year Skaneateles Lake Protection Plan.

16 miles. One lake. One shared responsibility. Protect what you love.

Every inch of Skaneateles Lake is connected, and so is the work to protect it. From shoreline to headwaters, every action helps safeguard what we all love and depend on.

Donate. Get involved. Stay connected.

Scan the QR code or visit: skanateleslake.org to be part of what comes next.

Skaneateles Lake Association
PO Box 862
Skaneateles, NY 13152

The mission of the Skaneateles Lake Association (SLA) is to promote the protection of the water quality of Skaneateles Lake and environmentally sound regional management of its watershed.
